RE: Sure Step treatment

Brian, I am writing this letter to let you know how impressed I am with your quick response in solving the problem we were having at the New Meadowlands Stadium. When I saw first hand what the Sure Step treatment did in the Giants locker room, I was so impressed that we had to also treat the two visitor teams locker rooms and coaches locker rooms as well.

As you are aware, the coach from the Tennessee Titans slipped and fell in the shower area, which was of great concern to us. Now that you have treated all the locker room areas at the stadium, we are looking to have you treat several more areas within the Meadowlands. There are several areas that are very slippery, and I know that you Sure Step treatment will solve our problem of slippery floors in those places as well.

I can't thank you enough for making the locker rooms safe for the players and coaches. Now we can concentrate on making the building safer for the fans. Thanks again Brian.

Sincerely,

Henry Rzemieniewski
