

Attention: Dave

Dear Dave:

Thank you for the amazing job that you did around our pool area. Last year, we had friends over and two of them slipped on the pool deck and one was injured quite badly. We didn't know what we could do, but thankfully we found you and we no longer have to worry.

In addition, thank you for all the other work you did in helping us locate _____ to help out with our other concrete finishing needs. Gareth is absolutely amazing and together you guys make a great team.

If anyone ever needs a reference on your work, please do not hesitate to give them my contact information.

Best regards,
