

SUPER 8 MOTEL

January 14,

Bill Wind  
Sure Step

Dear Mr. Wind;

I manage a 59 room motel, that is 8 years old. We were receiving some complaints of slippery tubs, and I was not sure how to address this issue without the associated costs of replacing the tubs.

Bill Wind took note of our tubs, and he asked if I would be interested in the Sure Step product. He explained how it worked and said he would do up an estimate. The cost was minimal and the results amazing. In a day and 1/2 he had treated all my tubs. They look great!

I have not had one complaint of slippery tubs since he did this treatment.

I would highly recommend this product for anyone...whether it be for your home, or business.

Sincerely,  
Super 8 Motel
