Re: No More  
Owner/Operator Ian

To Whom It May Concern:

On November 15, we had No More treat the floors at our Main St location with the Sure Step product.

This process has enabled us to keep our floors slip free when wet. As a result we no longer need to use dirty messy carpets.

After one month of making sure the product was working we decided to have Ian do our other two stores.

We are very satisfied with the work

Yours Truly,

A handwritten signature in cursive script, appearing to read "Martin".
